RECEIVED  
FEDERAL ELECTION  
COMMISSION  
WASHINGTON, DC

2001 APR 20 A 9 26

**SENSITIVE**

APR 19 2001

**MEMORANDUM**

**TO:** The Commission

**FROM:** Lois G. Lerner  
Acting General Counsel

**BY:** Abigail A. Shaine *AAS*  
Acting Associate General Counsel

**SUBJECT:** Additional Cases Recommended for EPS Closure

On April 17, 2001, the Commission requested that this Office circulate, on tally, those cases where the Commission indicated a substantive closing was unnecessary and an Enforcement Priority System ("EPS") dismissal was appropriate. Specifically, the cases noted in the Executive Session that would be circulated, on tally, for dismissal where MUR 5113 and RR00L-05. Additionally, MUR 5087 was returned to this Office from the ADR Office on April 3, 2001 and an objection to its dismissal was withdrawn at the Executive Session. Accordingly, MUR 5087 is now available for dismissal under EPS.

We have attached a factual summary of the three cases, which also indicate the EPS rating, the factors leading to the assignment of the low priority, and our recommendation not to further pursue the particular matter.

**RECOMMENDATIONS:**

1. Decline to open a MUR and close the file effective two weeks from the date of the Commission vote in:

RR 00L-05

21-04-405-0372

2. Take no action and close the file effective two weeks from the date of the Commission vote, and approve the appropriate letters in:
